Proposed new West Valley Noon Lions Club

Fellow Lions:

A concentrated effort was expended during the last full week of March, with the help of Lion Jack Ferguson, to organize the new club. Helping in the effort were Lions Carl Page and Karl Koenig, Bountiful Lions, DG Sam Mascarenas, CC Al Woodmansee, PDG Judie Barron, PDG Mark Nelson, PDG George Whitley and VDG Nancy Whitley, and PDG Bill Barton, who organized the effort. Three contacts were also identified as potential members of their local clubs where they live.

The First Meeting of the West Valley club took place the following Thursday at noon at West Valley city hall.

Wayne Pyle, City Manager, spoke to the group, giving some positive words of encouragement and city cooperation in organizing the new club. Wayne also said he was going to be one of the charter members by joining as an Associate Member.

Seasoned Lions DG Sam Mascarenas, CC Al Woodmansee and PDG Frank Arreola gave short presentations on Lionism after all viewed the DVD on world LCI activities.

At this point the count is 14 members including 2 transfers from the Hunter club. There remains approximately 8-10 more business people that indicated an interest but were unable to attend or were not contacted about the meeting.

Our next meeting will be Thursday, April 10 at WVC hall at noon. Lunch will be served with a nominal cost to attendees.

To put things in the Lions Tale they need to send it to rtruitt@cut.net. The other company dropped their line into Sanpete.

Lions Surpass CSFII Goal

Campaign SightFirst II has surpassed the \$150 million minimum goal. On Worldwide Report Day in February, National and Multi-National Coordinators' telephone calls and reports revealed that Lions have raised more than US\$157.9 million for CSFII. Lions around the world have helped Campaign SightFirst II surpass its minimum goal by rallying to raise funds for Campaign SightFirst II. To support the efforts, Moorfields Eye Hospital Foundation Trust donated US\$4 million to CSFII, the largest donation in LCIF's 40-year history. Lions are now looking ahead to the additional US\$200 challenge goal and helping ensure the future of SightFirst through continued and expanded efforts to eliminate preventable blindness worldwide. Read this month's THE LION Magazine cover story (headquarter's edition) on CSFII for more information on surpassing the minimum goal.

New Process for Monthly Membership Reporting by Clubs
Effective April 2008

Overview & Frequently Asked Questions

Beginning in April 2008, there will be a change in the submission dates for clubs to report their monthly membership reports (MMRs). These reporting changes will apply both to clubs that report their membership transactions online (though the online WMMR system) and for clubs that submit paper MMRs to international headquarters. As explained below, the overall goals are to (1) enable LCI to produce more timely cumulative monthly membership reports, and (2) provide more consistency and accuracy between the LCI cumulative monthly member report and Club Billing Statements and District Financial Recap reports.

The following are the dates to submit each month's report, effective beginning in April 2008:

Promote Your Eyeglass Collection Sites

LCI is providing Lions clubs with the opportunity to post up to six of their eyeglass collection locations on the Lions Clubs International Web site. Postings will appear in the “Club Locator” section. Members of the public often use the “Club Locator” to find the nearest eyeglass drop-off locations in their community. It's easy to participate, download and submit the Lions Recycle For Sight Club Participation Form. Please join with us to make the collection process easier.

May Is Lions Recycle For Sight Month

Join with Lions around the world during the month of May to raise awareness about the importance of donating used – yet usable – eyeglasses to provide corrected vision for millions of children and adults in undeveloped nations. New “Lions Recycle For Sight” promotional materials are available for your collection campaign, including colorful community posters, brochures and more. Order the new Lions Recycle For Sight Information Kit (US\$5) to obtain all information and materials necessary for your campaign. For further details, e-mail the Health & Children's Services Department or call 630-571-5466, ext. 6768.
